PolicyProof
Privacy Policy
Last updated: May 2026 — Version 1.0

This Privacy Policy describes how PolicyProof Inc. collects, uses, and protects information when you use the PolicyProof service. We are committed to protecting your privacy and handling your data with transparency.

1. Information We Collect
Account information: Name and email address when you register for access. Usage data: How you interact with the service including features used and pages visited. Compliance data you input: Policy documents, AI decision records, and AI system information that you voluntarily enter into PolicyProof. This data belongs to you. Current pilot phase: The current version stores data in your browser session only. No compliance data is transmitted to or stored on our servers in this phase.

2. How We Use Your Information
We use your information to: provide and improve the PolicyProof service, communicate with you about the service, respond to your requests and inquiries, and comply with legal obligations. We do not sell your information to third parties.

3. We Never Use Your Data to Train AI Models
This is an absolute commitment. Your compliance policies, AI decision records, and organizational data will never be used to train any AI model — ours or anyone else's. Your data is yours. Full stop.

4. Data Storage and Security
Current pilot phase: All compliance data is stored locally in your browser. Nothing is transmitted to our servers. Future production phase: Data will be stored on encrypted servers in the United States using industry-standard AES-256 encryption at rest and TLS 1.2+ in transit. We will update this policy when production storage is implemented.

5. Data Retention and Deletion
You can delete your data at any time. In the current pilot phase, data clears when you close your browser. In the production phase, we will provide tools to export and delete your data upon request. We will not retain your data longer than necessary for the purposes described in this policy.

6. Third Party Services
We use limited third-party services to operate PolicyProof: Vercel: Hosts the PolicyProof application. Subject to Vercel's privacy policy. Formspree: Processes email capture form submissions. Subject to Formspree's privacy policy. We do not share your compliance data with any third parties.

7. Cookies and Tracking

PolicyProof uses minimal cookies necessary for the service to function. We do not use advertising cookies or cross-site tracking. You can disable cookies in your browser settings.

8. Your Rights

You have the right to: access the personal information we hold about you, correct inaccurate information, request deletion of your information, object to processing of your information, and data portability. Contact us at suneel@policyproof.ai to exercise these rights.

9. Children's Privacy

PolicyProof is not intended for use by individuals under 18 years of age. We do not knowingly collect personal information from children.

10. Changes to This Policy

We may update this Privacy Policy as the product evolves. We will notify you of material changes by updating the 'Last updated' date and where appropriate by email. Your continued use of the service constitutes acceptance of changes.
