These Terms of Service govern your use of PolicyProof, an AI governance compliance documentation tool operated by PolicyProof Inc. By accessing or using PolicyProof, you agree to these terms.

1. Description of Service
PolicyProof provides a compliance monitoring system that helps insurance organizations document AI governance activities including policy version control, decision audit trails, AI system inventory, and regulatory examination preparation. The service is provided on an 'as-is' basis during the current pilot phase.

2. Pilot Phase
PolicyProof is currently in an early access pilot phase. During this phase the service is provided free of charge. Features, functionality, and pricing are subject to change. We will provide reasonable notice of material changes.

3. Your Data
You retain full ownership of all data you input into PolicyProof. We do not claim any ownership over your compliance policies, AI decision records, or organizational information. See our Privacy Policy and Data Handling Commitment for details on how we handle your data.

4. Acceptable Use
You agree to use PolicyProof only for lawful compliance documentation purposes. You will not attempt to reverse engineer the service, use it to store unlawful content, or attempt to gain unauthorized access to any systems. You are responsible for maintaining the confidentiality of your account credentials.

5. No Legal or Compliance Advice
PolicyProof provides documentation tools only. Nothing in the service constitutes legal, compliance, or regulatory advice. You are responsible for ensuring your organization meets all applicable regulatory requirements. Consult qualified legal and compliance counsel for advice specific to your situation.

6. Current Limitations
During the pilot phase, PolicyProof operates with manual data entry. Data entered does not persist between browser sessions in the current version. No personally identifiable information should be entered into the system during this phase. These limitations will be addressed in future versions.

7. Intellectual Property

PolicyProof and its underlying technology are proprietary to PolicyProof Inc. You are granted a limited, non-exclusive license to use the service for your internal compliance documentation purposes. You may not redistribute, resell, or sublicense the service.

8. Disclaimer of Warranties

PolicyProof is provided 'as is' without warranty of any kind. We do not warrant that the service will be uninterrupted, error-free, or that it will meet your specific requirements. We are not responsible for any regulatory outcomes based on your use of the service.

9. Limitation of Liability

To the maximum extent permitted by law, PolicyProof Inc. shall not be liable for any indirect, incidental, special, or consequential damages arising from your use of the service. Our total liability shall not exceed the amount you paid for the service in the preceding 12 months.
